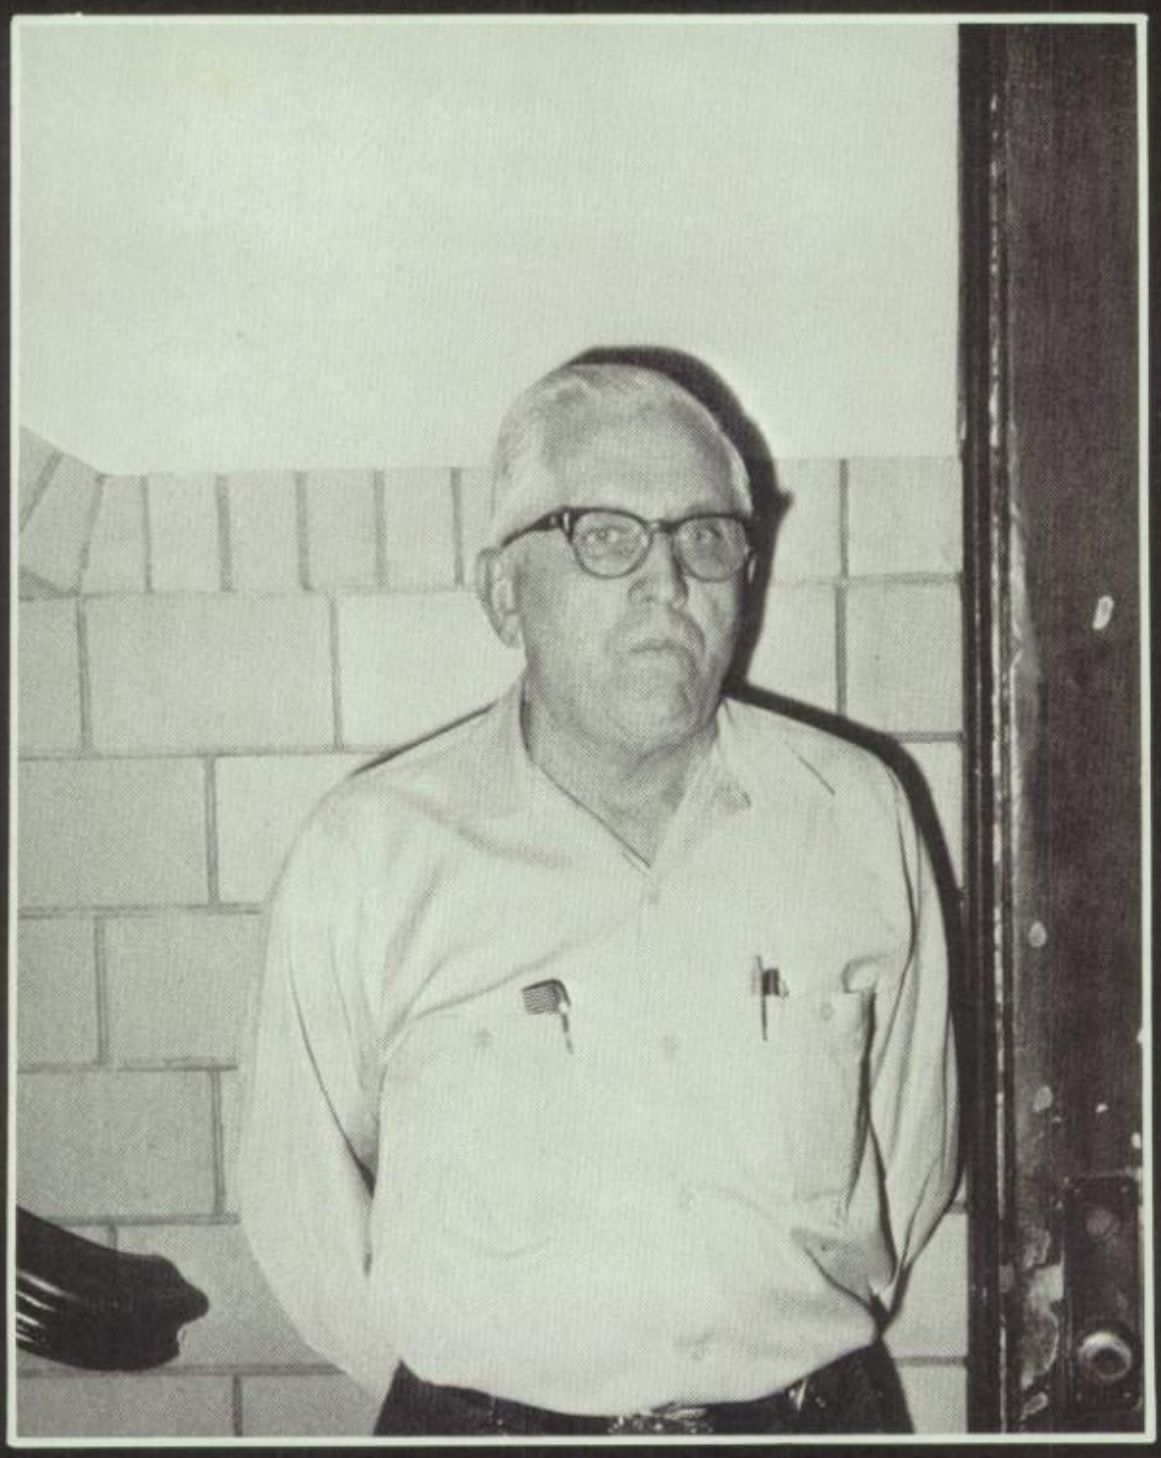
Dedication

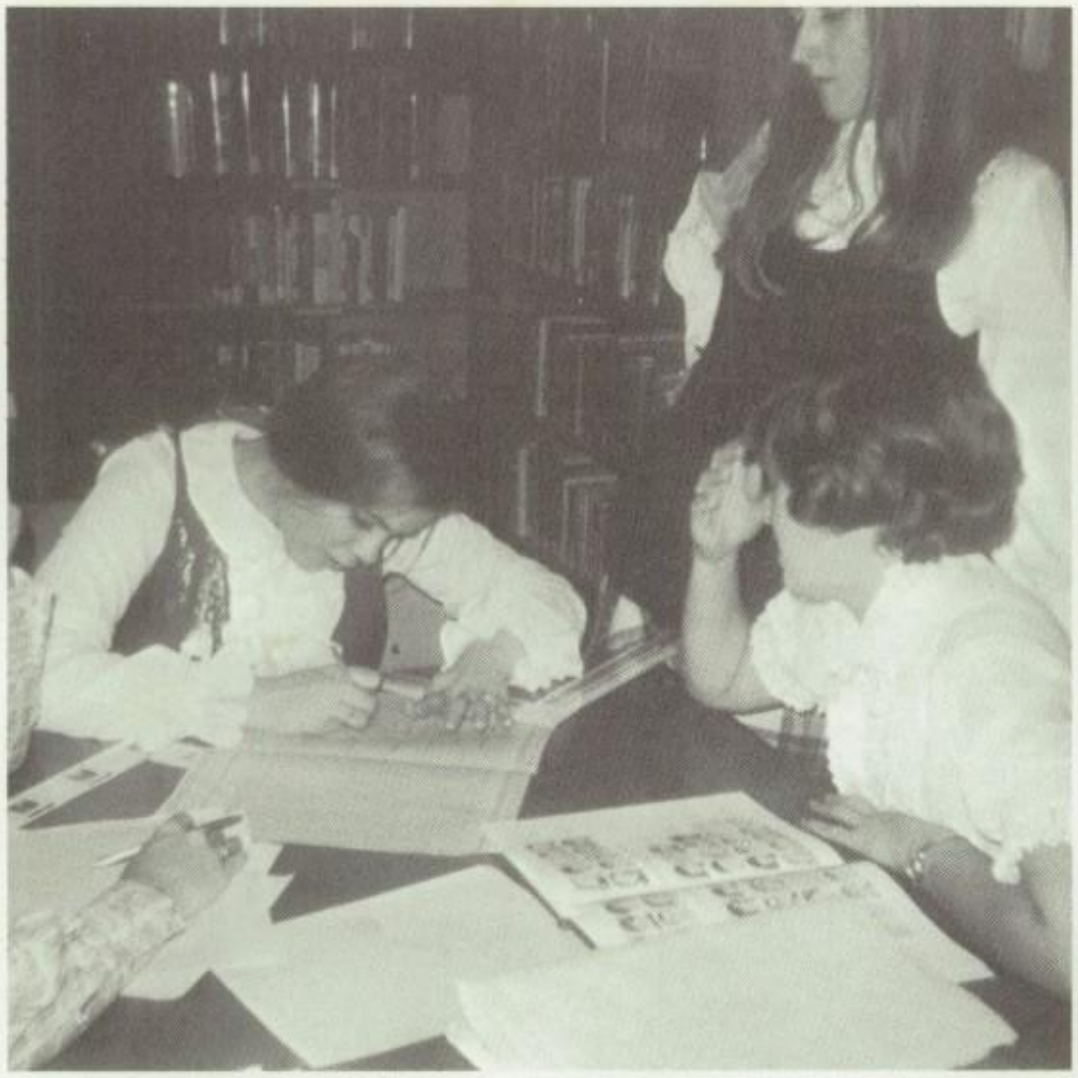


For his many years of willing helpfulness and devoted service to our school, we, the Class of 1971, wish to say "thank you" by dedicating our yearbook to Joe Gingerich.

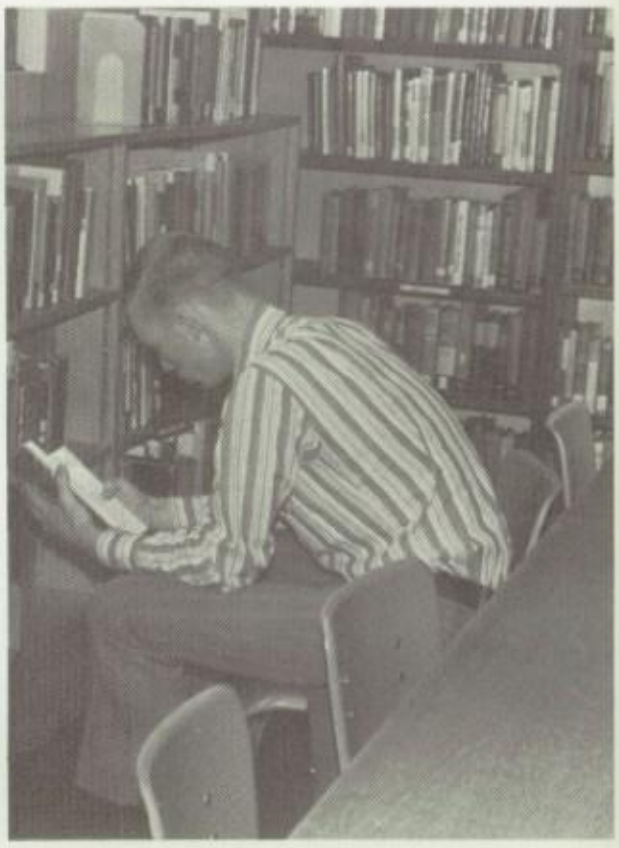
In Memory

We, the Class of 1971, wish to dedicate this page to the memory of our friend and classmate; David Schoon.

INTRODUCTION

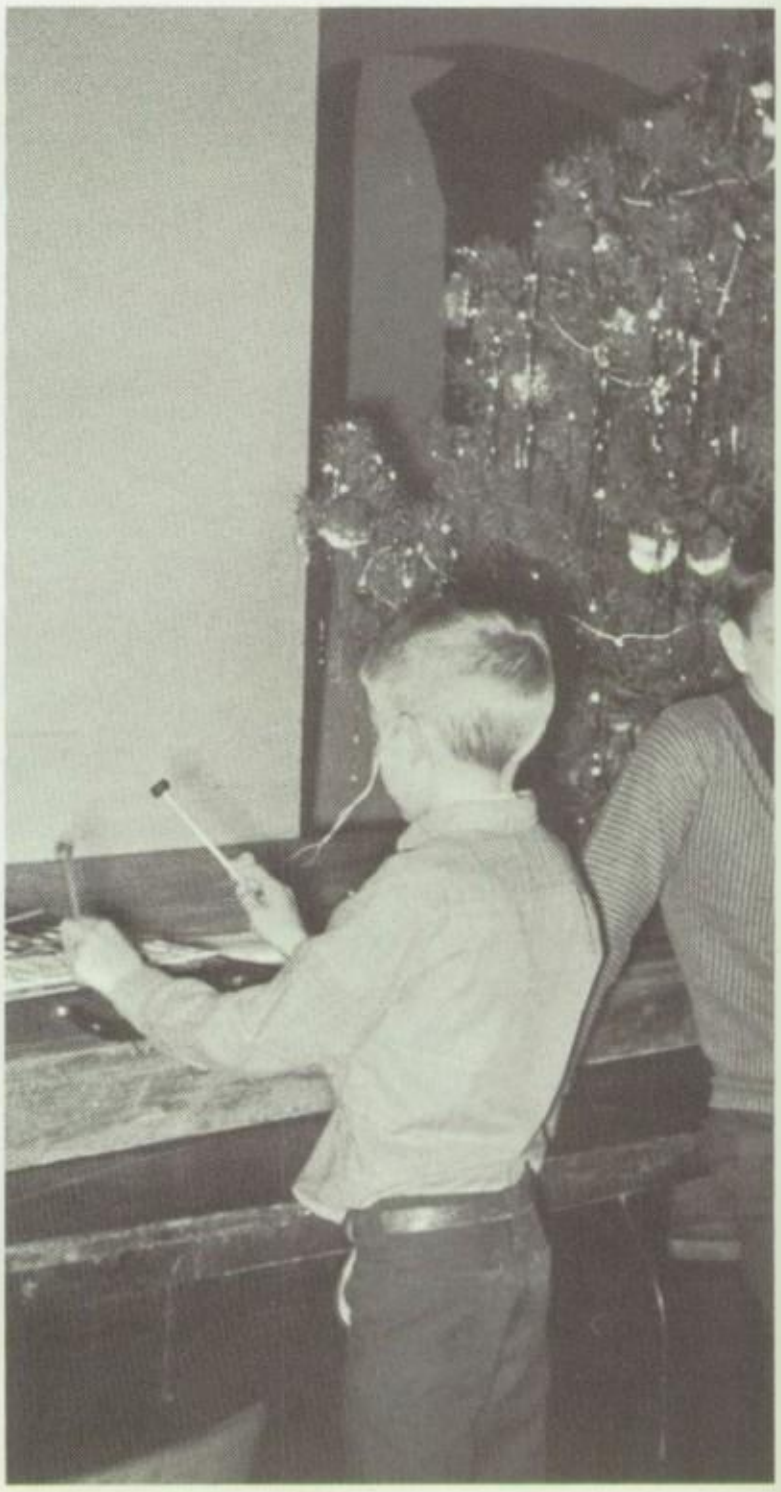


No man is an island, entire of itself . . . I am involved in Mankind

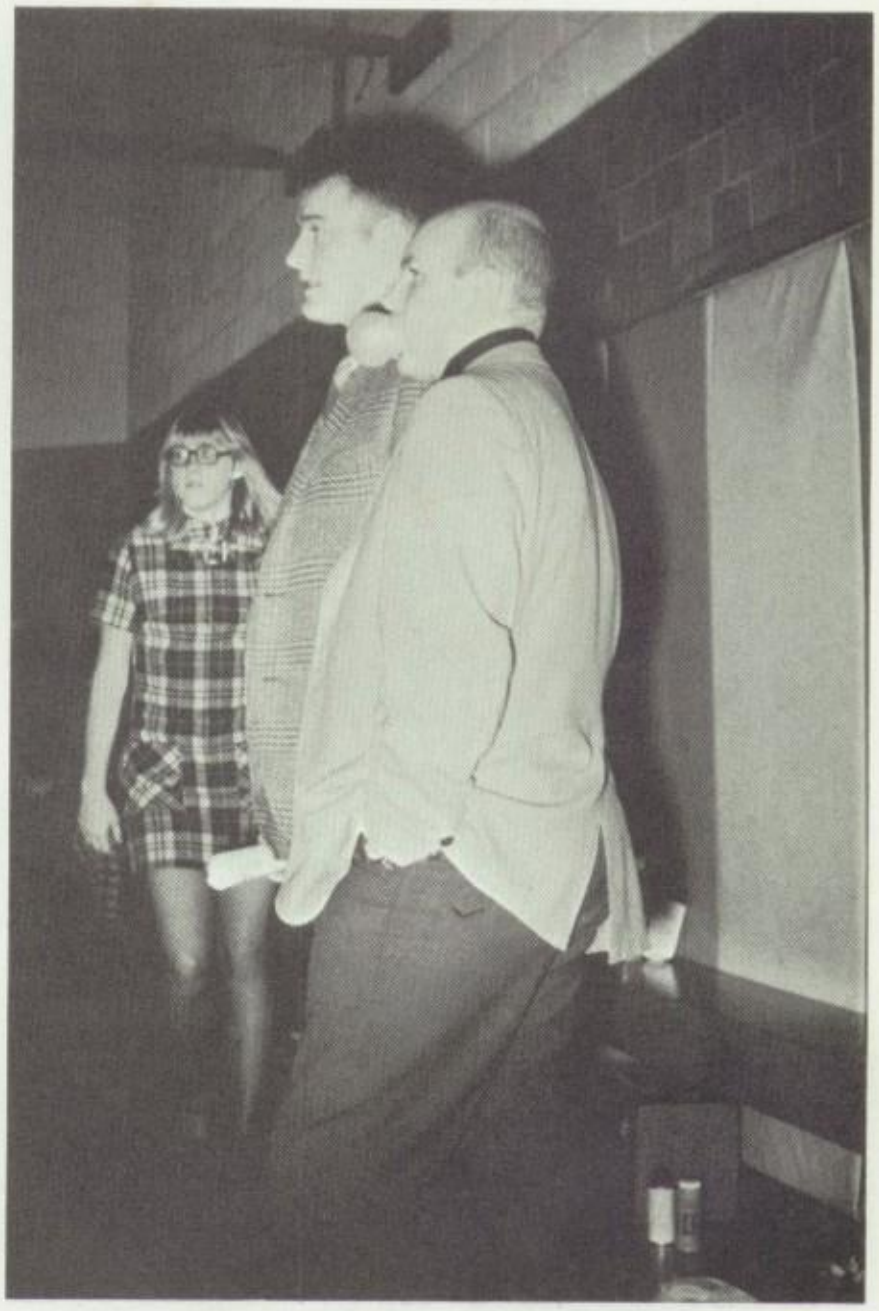


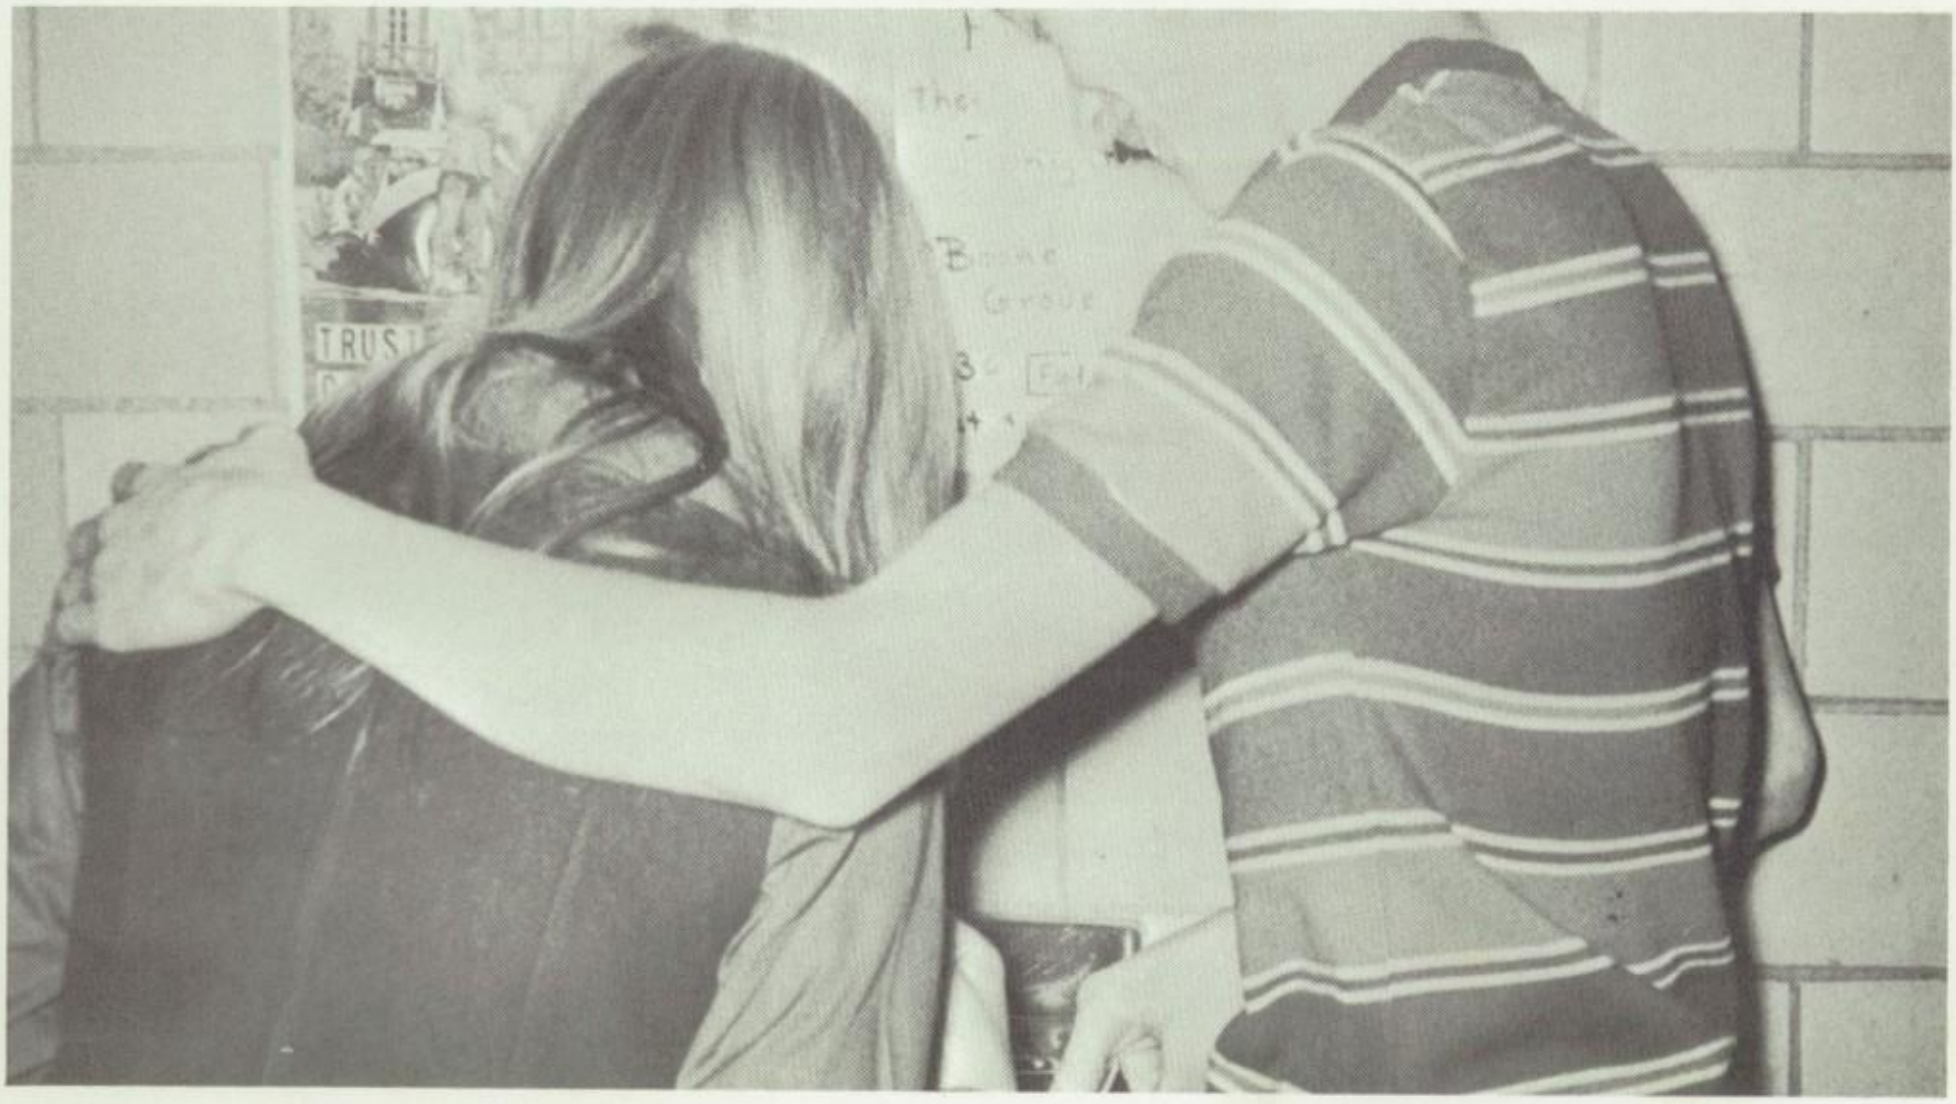
I search for myself in the maze of everyday life

The confusion, the mystery of my life combines with the lives of others



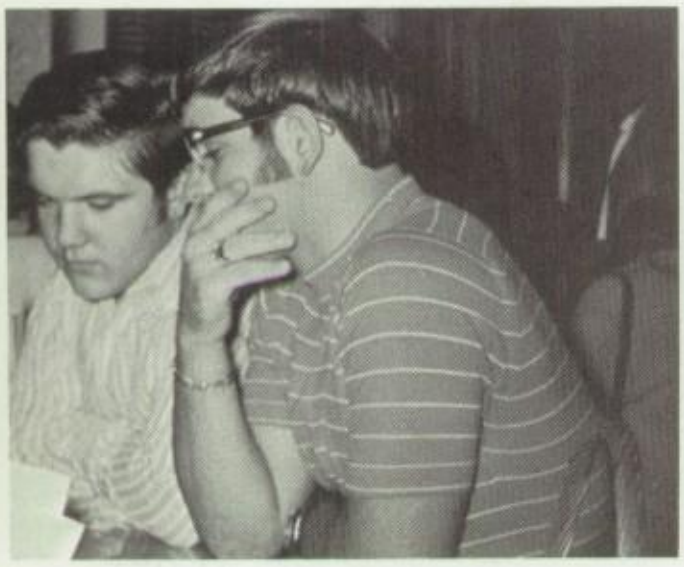
To make life . . .





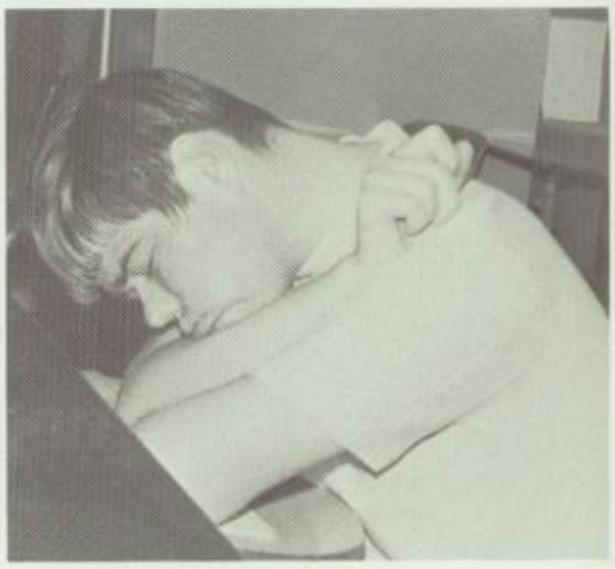
. . . I am a part of Humanity.

I see myself in the faces of the Multitude
. . .

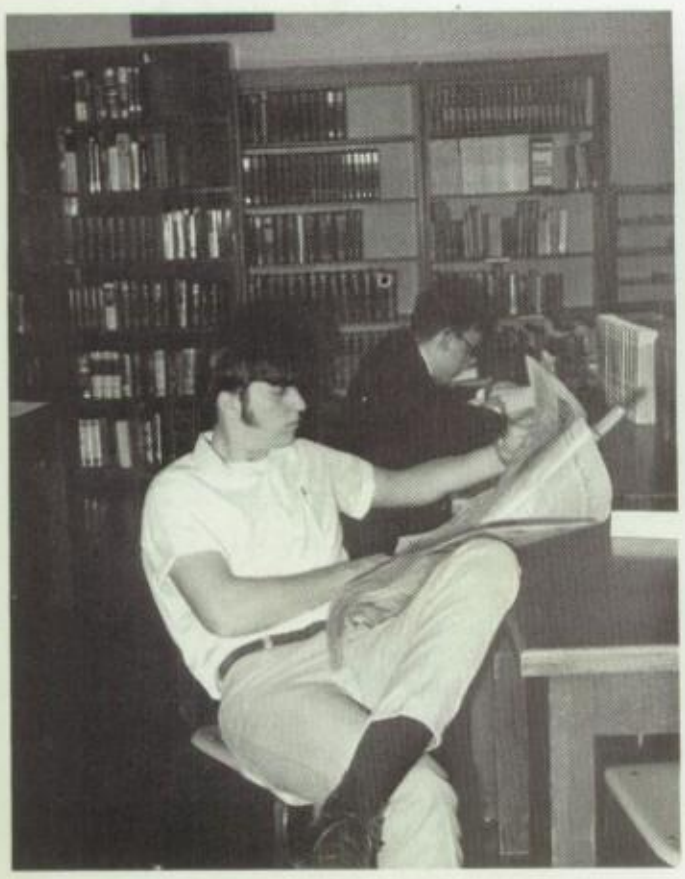


in their cries of defeat,

in their screams of joy, and



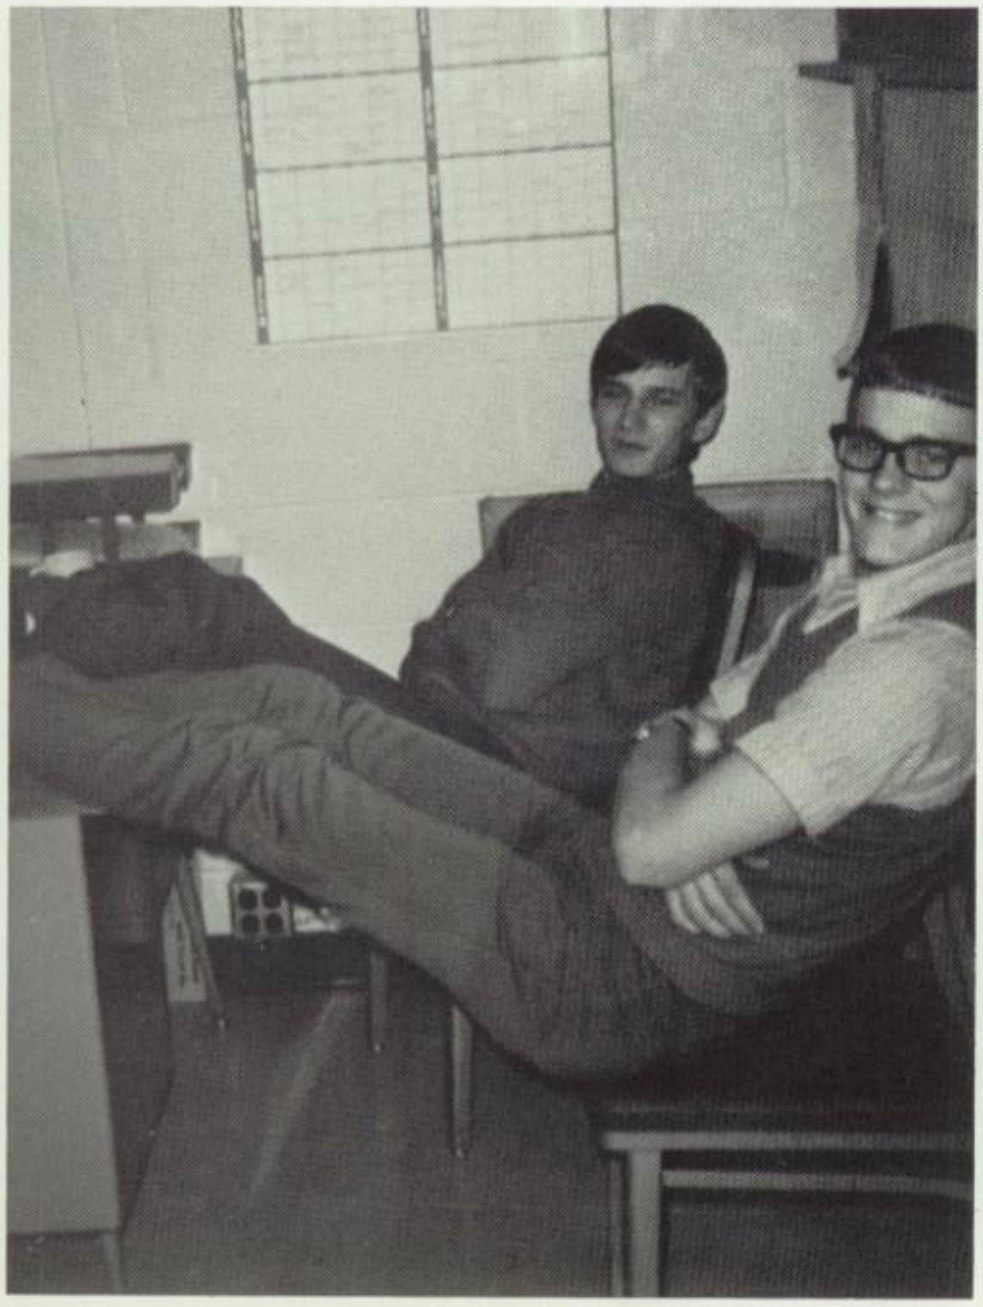
in their exhausting toil,



in their fun-filled leisure,

in their quest for peace

I give of myself, and in return I receive.

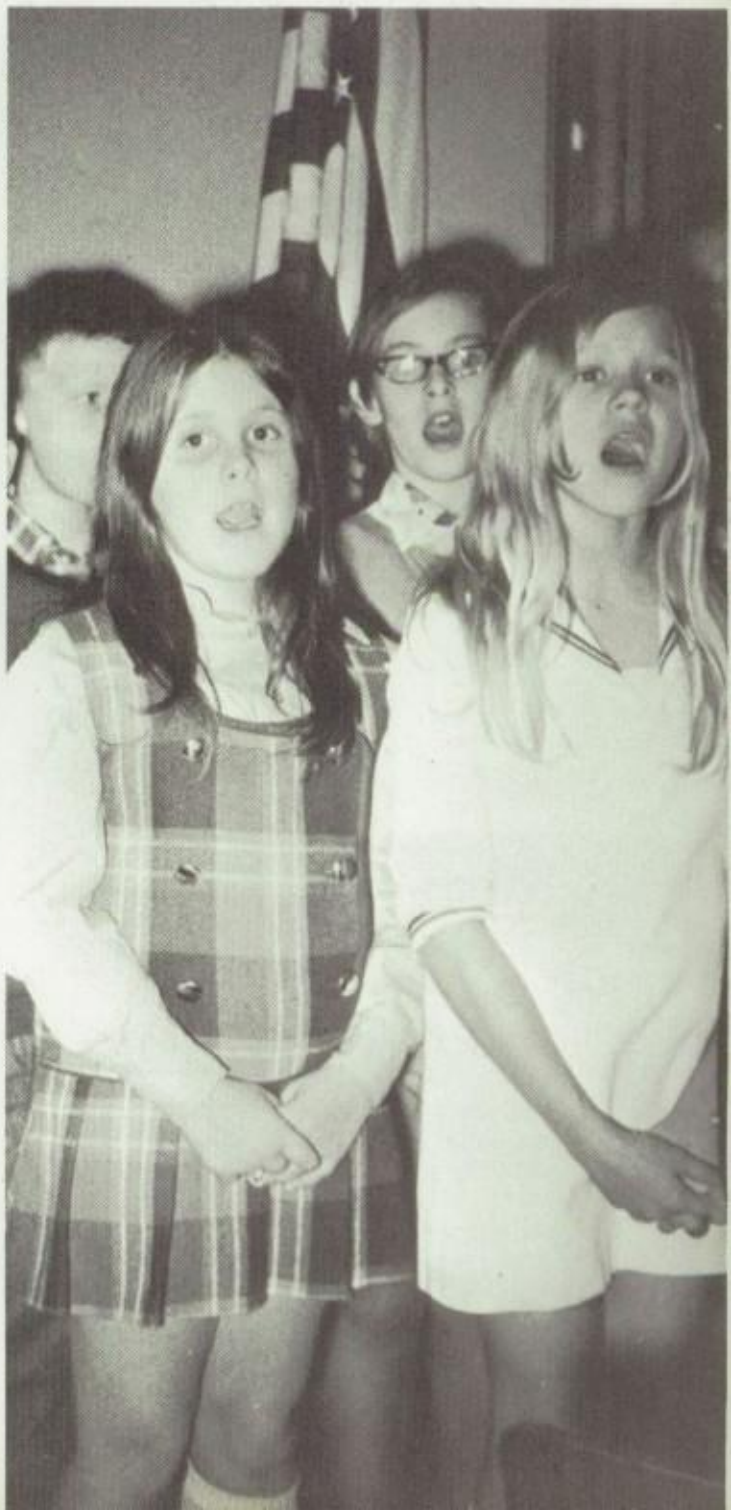


I receive satisfaction and peace of mind.

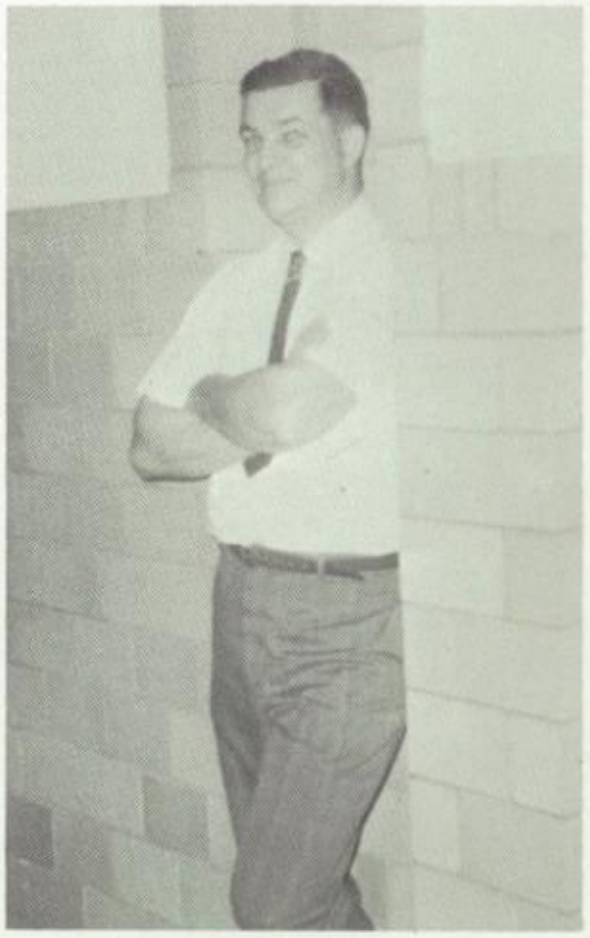
I receive smiles.

I work alongside my neighbor to conquer hate, misunderstanding, and distrust with tenderness, honesty, and love.

Together we work to improve the world. I am the Multitude, I am the hope of the future, I am the promise of tomorrow.



I am anticipation and uncertainty. I am a tear of sadness and friendly laughter.



I am students trying and teachers caring, people reaching out to one another. I am involved in Mankind. I am Kouts High School.

"King and Queen of Hearts" was the theme for this year's King and Queen Dance, which everyone enjoyed. The highlight of the evening was the naming of the court members and the crowning of our Queen, Sue Kosanke, and King, Steve Kimmel.

Our Teachers Care

Where were you ninth hour yesterday? Don't you think your hair is getting a little long? When are you ever going to take that test? Why don't you think of these things sooner? What is the law of supply and demand? Will you be responsible for your guest? We expect you to act like young ladies and gentlemen!

Every student at Kouts High School is familiar with at least one of these phrases. They represent the many duties of our faculty and administration, the people put in charge of teaching and guiding us as best they can.

They represent sponsoring school activities, putting up new bulletin boards, telling jokes that sometimes are not too funny, and giving hard finals. All together they represent an education.
